Subject: Local income tax certifications for calendar year 2016

The State Budget Agency has issued the 2016 certified distributions of local income taxes. The certifications can be accessed using the link below.

As required by IC 6-3.5-1.1-9(b), IC 6-3.5-6-17(b), and IC 6-3.5-7-11(b), by October 1 the Budget Agency has certified to the county auditor an updated certification, after the initial estimates were certified July 31.

The State Budget Agency has prepared the distribution amounts based on the best information available regarding local income tax rates at this time. Under IC 6-3.5-1.1, IC 6-3.5-6, or IC 6-3.5-7, local income tax rates may be changed any time before November 1 of a year. As a result, counties have not yet certified to the Indiana Department of Revenue the local income tax rates that will be in effect on January 1, 2016. Any rate changes that occurred and/or were communicated to the State Budget Agency after September 29, 2015 will alter the amounts presented here.

Updated County Informational Reports and Trust Balance History Reports can be found by using the following links:

Local officials can assist the State Budget Agency in finalizing CY 2016 certified distribution amounts by verifying the accuracy of the rate information presented here and notifying the State Budget Agency of any rate changes that will take effect or are anticipated to take effect. Please note that SEA 544 - 2013 requires that ordinances adopting rate changes be submitted to the State electronically in a format prescribed by the State Budget Agency. Gateway is the prescribed method for submitting rate change ordinances to the State.

Communications with the State Budget Agency regarding local income taxes should be directed to Vanessa DeVeau Bachle at (317) 232-5634 or [vdeveau\\_bachle@sba.in.gov](mailto:vdeveau_bachle@sba.in.gov).
